New Business

- Rugs - none to schedule right now

- Community Night discussion update from Linda: August 28th from 5-9. Set up at 4:00, band plays at 7:00. School will provide tables and chairs. MBA will not be charging for tables since it is a free event for anyone to set up at, but we will be grouping out members together. Motion to spend up to \$20 to create an event flyer by Jenny, second Joe, motion carries.
- Update on Community Shopping Guide from Kathy: Looking at doing a booklet instead of homeowner welcome bags. Initial estimates that 1000 copies would cost roughly \$800 for a 20 page booklet. We still need to look into postage options if we plan to mail to new homeowners. Also would be distributed in local businesses.
- Save the Dates -

Activities being looked into include Touch a truck, Ghost Buster team, bike raffle (will fill out a donation request form from Meijer), boy scouts, will encourage each business to host an activity at their booth, pumpkin voting (use a theme this year). Will look into using school center building as a rain location.
 - Community Event-August 28th
 - Fall Appreciation Dinner" November 7th. Taste of Mattawan for food, will discuss which non-profit to donate raffle money to at July meeting. Nominations should be sent to Amelia and Angela Weenink. Jenny is confirming hall reservation.
 - Santa in the Park: Karol Chopp (Lion's Club) and Kayla met to discuss a Christmas Community Carnival to be held on December 7th from 1-3. Businesses could sponsor games, Santa will be there. More discussion happening.
 - Networking Event in conjunction with Paw Paw and Oshtemo Rotarys. Discussed possible locations to host a summer/early fall event. We will contact Shades of Lavender, Shultzs, Cody Kresta, and Michelle's.

Other Business: Kathy discussed idea of MBA purchasing a tent that we could use at events, and could also rent out to members. Kathy will check on pricing and think about what type of contract/deposits would be necessary.
